

NORTH WISCONSIN DISTRICT LWML

January 23, 2017

Dear North Wisconsin District LWML Member,

The North Wisconsin District of the Lutheran Women's Missionary League will hold its District Convention at the **Holiday Inn and Convention Center, Stevens Point, Wisconsin June 24-26, 2018**. One of the highlights of the convention is the selections of Mission Grants for the next biennium which are funded by our Mite offerings.

This letter is an appeal asking you to submit a Mission Grant proposal for consideration at this convention. Grant proposals may be submitted by an LWML member, society, unit, zone, and/or the LCMS District Board of Directors. Each of you is important in the work of the Lord and your input into our grant proposals is vital for a strong Mission Grant ballot at our convention.

To assist you researching and formulating a resolution, I am including a 'Question and Answer Guide to Submitting a Grant Proposal'.

The LWML is an auxiliary of The Lutheran Church-Missouri Synod. The mission programs and needs, especially those of our North Wisconsin District, should have primary consideration.

Send eight (8) copies of the resolution along with **eight (8) copies of the cover page** to the Mission Grants Director by **September 1 2017**. No grant proposals will be considered after that date. Please contact me, the NWD Mission Grants Director, if you have any further questions.

Serving the Lord with Gladness,

Linda Koeller

THE COVER PAGE

The cover page should be detailed and include the information you gathered following the guidelines from the first page. All of the contact information you provide is needed to administer the grant successfully – be very complete!

WHAT HAPPENS TO MY GRANT PROPOSAL WHEN SHE RECEIVES IT?

- It is dated and checked to make sure that all the necessary information is included and that the LWML guidelines have been followed.
- After preliminary study by the NWD LWML Mission Grants Committee, proposals are submitted to the appropriate LCMS Mission Board for endorsement.
- After the grant proposal receives the necessary endorsement(s), the NWD LWML Mission Grants Committee will meet to review each grant proposal. A list of grant proposals is selected to be placed on the convention ballot.
- This proposed ballot is submitted to the NWD LWML Board of Directors for approval at its February Board meeting.
- Contact persons for every grant proposal are notified when the grant is placed on the ballot, and again immediately after the convention to indicate if the grant has been selected or denied. Grants will be paid as funds become available.

IF I STILL HAVE QUESTIONS, WHAT DO I DO?

- Contact the District Mission Grants Director. Mission grants are an outreach program of LWML.

The first question we as LWML members should ask is: How does this project reach the unchurched for Christ? The fields are ready for harvest. It is our responsibility to, by faith, answer the call and select the grants that we support. What a responsibility God has entrusted to us!

LWML is an auxiliary of The Lutheran Church-Missouri Synod. Its mission programs, especially those of our North Wisconsin District should have primary consideration.

Remember to support grants with your prayers and mites.
