God's Creative Spirit

In the beginning, God created the heavens and the earth (Genesis 1:1).

This verse should sound very familiar to us all. God created everything we see around us, from the very earth we walk on, to the sky we see, to the stars and their glory, to the plants, animals, and us. Everything was created uniquely serving a purpose to God and the jewel of His creation, us. What we see in the world around us, the changing from night to day, season to season, shows the beauty and splendor of our majestic God.

As we transition from summer to fall, we can see God's creativity in the beautiful colors, the smells, and flavors of fall. We can see His generosity in the abundance from the garden. Just as we see God's creativity side in nature, we can view it in the variety of organizations that serve whether close to home or to a place far away and more challenging to reach. Grants approved at the convention will help students

going into church work, to translators needed for countries far away, organizations working with the homeless, counseling services, cancer patients, schools, teens, maternity and working with youth, mission organization, Bibles for the visually impaired, and sharing the gospel. See the mission grant poster on page two for more information.

The NWD-LWML will be a blessing to those organizations through the mission grants passed this past June for the biennium. As the LWML societies will start meeting and gathering mites to fund these grants, please remember to keep them in your prayers. And continue to pray for those who did not receive grants, their work is critical in God's creative purpose.

**In His Service,
Debby Suchyta
Mission Grants Director**

Praying for Our Children

As I write this, it is the time or almost the time for our children and grandchildren to head back to back to school. It is also a time for mothers, grandmothers, fathers, and grandfathers to pray that our precious children will be kept safe and not have their faith be compromised. This is especially a concern at a time when evil seems to be more prevalent in our schools.

So, as the school year begins, it is a good time to earnestly begin praying for your children and/or grandchildren or any children in your life. Several years ago, a friend introduced me and my husband to a way to pray scripturally for those children. Here is the guide she shared with us:

Praying Scripturally for Your Children

Help _____ listen to his/her/their father's instruction, and not forsake his/her/their mother's teaching. (Proverbs 1:8)

Show _____ your ways, O Lord, teach him/her/them your paths; guide him/her/them in your truth... and may his/her/their hope be in You all day long. (Psalm 25:4-5)

Hide _____ in the shelter of Your presence from the intrigues of men; keep _____ safe from accusing tongues. (Psalm 31:20)

Help _____ to love righteousness and hate wickedness. (Psalm 45:7)

May _____ love you Lord with all his/her/their heart and with his/her/their soul and with all his/her/their mind. (Matthew 22:17)

Guide _____'s feet into the path of peace. (Luke 1:79)

Protect _____ from the evil one. (John 17:15)

Give _____ strength to obey you, God, rather than men. (Acts 5:29)

May _____ be joyful always, pray continually; and give thanks in all circumstances. (1 Thessalonians 5:16)

May _____ have a pure heart, good conscience, and sincere faith. (1 Timothy 1:5)

As we shower our children/grandchildren with our prayers, we can be assured that God will keep watch over them. We have Jesus' promise, *If you believe, you will receive whatever you ask for in prayer* (Matthew 21:22).

A praying grandmother,

Sharon Makela

Sharing the Faith

I am Rev. Samuel Morsching and currently serve Peace Lutheran Church in Park Falls. It was an honor to be nominated and then elected at the convention in Appleton as your newest pastoral counselor. I am looking forward to where God leads us together as we seek to faithfully follow Him.

In addition to God calling me to serve in the pastoral office, God has called me to be a husband and father. My wife of thirteen years is Marsha. She, like me, grew up in Minnesota in a rural community not far from the Minneapolis/St. Paul metro area. We met when she was serving as a parochial school teacher in my first circuit. We now have three children ages ten, nine and two. The oldest two are homeschooled and enjoy traveling to the locations dad is required to go.

My family reminds me that sharing the good news of our Savior Jesus Christ starts with those closest to us. As a father and pastor, it is a great joy and privilege to see them grown closer to the Savior. This sharing of the faith can be seen in Psalm 78.

He established a testimony in Jacob and appointed a law in Israel, which he commanded our fathers to teach to their children, that the next generation might know them, the children yet unborn, and arise and tell them to their children, so that they should set their hope in God and not forget the works of God, but keep his commandments; and that they should not be like their fathers, a stubborn and rebellious generation, a generation whose heart was not steadfast, whose spirit was not faithful to God (Psalm 78:5-8).

I am a product of one generation telling the next. Not only parents and grandparents, aunts and uncles but the men and women of the congregation I grew up in played a role in helping me grow in faith. I look forward to working with you in teaching the next generation of believers.

Pastor Samuel Morsching

Helpful Tips for Hosting a Rally

So...it's your turn to host a Zone Rally! Have you ever thought, what do I do now? Your Leadership Development Committee has made it a little easier with a booklet that has step-by-step suggestions and a check list for the Zone President, Society President and members and the host Pastor. It will be available on the nwdlwml.org resource page or through your Zone Presidents.

Mark your calendars for Spring Retreat at Camp Luther, March 28-29, 2025. Your Purple Peeps Committee has decided that "Choose Joy!" will be our theme. Watch for more information in the winter Tidings. And then you ask, who or what is the Purple Peeps committee? It is just some of your LWML sisters!

President's Message

As Lutheran Women in Mission we joyfully proclaim Christ, support missions, and equip women to honor God by serving others.

In August, the Short-Term Mission Trip to Michigan was amazing! Lynne Johnson and Penny Selle did a great job putting the trip together. We visited Lutheran Heritage Foundation, LAMP Ministry, POBLO International, Camp Restore, and MOST Ministries. We learned about each of the ministries, and we were able to participate in a servant event at each location.

While we were at Camp Restore (reclamation of run down area of Detroit), they expressed a need for a used van for their mentoring program. At about that same time, our district received a generous donation to use as needed and the Board of Directors were able to send them a check for \$10,000 to meet their need for a “new to them” van.

We have had a great start to the 2024-2026 biennium here in the LWML of the North Wisconsin District (NWD). At our September Board of Directors meeting, we voted to support payments in the amount of \$41,000 toward our Mission Grant Goal of \$120,000 for this biennium with an additional funding of grants in the amount of \$20,000 from our Gifts and Bequests Fund approving a total \$61,000 funding of Mission Grants.

The Mission Grants paid are Grants #1, #2, #3, #4, #5 and #6. Grant #1 \$15,000 will be sent to the LCMS NWD in January per their request. (see page 2)

The Fall Retreat was a wonderful time of celebration and discovering how each of us is God's treasure. We had early morning devotions, singing, Bible study with Deb Burma, featuring her book *Treasured*, the grazing table, hugs, tears, prayers, fellowship, and even some free time. Thank you, Dawn Via, for planning a fantastic event! Next year's fall retreat will be held September 4-6, 2025.

The LWML Convention in Omaha will be held June 26-29, 2025. We will have a bus going to the Omaha Convention. *The Quarterly* will have convention information in the winter issue, or online at www.lwml.org select News/Events drop down and then click on Convention Central.

Because of hosting the 2023 LWML convention in Milwaukee, the North Wisconsin District, Northern Illinois District and South Wisconsin District will have “Special Seating” at the Omaha Convention, that will be open to anyone who attends the convention from any of these three districts.

Thank you for the opportunity to serve Jesus with you! LWML NWD Rocks!

Serving Jesus with you,

Joan Berquist
LWML NWD President

75th LWML NWD Fall Retreat Recap

To God be the glory; we have had another uplifting and relaxing retreat! The fall retreat was held at Camp Luther from September 5-September 7; 112 registered for the retreat and 107 were able to attend. The mite offering was held on Friday and we collected \$1,052.59. Our theme was “Treasured” as this marked our 75th year of retreats. Deb Burma was our Bible study leader and she led us in four sessions throughout the retreat. During retreat, we had opportunities to enjoy Bible trivia, campfires, early morning devotions, card games, swimming, the grazing table, the LWML store, bracelet making, spiral sun catcher making, getting our nails painted, wagon and pontoon rides, fellowship, singing and digging into His Word during Bible study. As a special gift to Deb Burma from our district, we had a spiral journal passed around for everyone to sign and write a message to her. **It was a retreat to treasure!** What an amazing group to be in!

Michigan Adventure—2024 Short-Term Mission Trip

“Have I not commanded you? Be strong and courageous. Do not be afraid; do not be discouraged, for the LORD your God will be with you wherever you go” (Joshua 1:9).

In early August, 39 North Wisconsin District sisters boarded a bus for a Mission Adventure to visit five service organizations of LCMS in Michigan. Whether at the ends of the earth, or in the heart of Detroit, we found God working through these organizations as they shared the Word of God and Jesus’ compassion through acts of love and mercy. We connected with **Lutheran Heritage Foundation, LAMP (Lutheran Association of Missionaries and Pilots), POBLO (People Of The Book Lutheran Outreach), Camp Restore** and **MOST Ministries**.

At each location we learned about what they do, their challenges, and their hopes and dreams. At each site we were privileged to serve alongside each other as members of the Body of Christ, as the hands and feet of Jesus. Our eyes were opened as we found ourselves immersed, however briefly, in their tasks. This experience impacted all of us as evidenced in the comments of the participants. Here are some of our take-aways:

† ***Do not be afraid—God has got this!***
Every one of these ministries move forward, trusting in the direction, provision and protection of God.

- † ***The Body of Christ, with Christ as the Head, is indeed powerful!*** *Not one of these ministries stands alone. They all depend on the Body working together for Christ—and that includes all of us in LWML!*
- † ***God touched our hearts and moved us to action.*** *We were energized and many expressed a desire to act; to join a mission team; to raise awareness; to help more actively; to pray for and sacrificially support these ministries.*
- † ***No mite or service is too small. God accomplishes mighty things!*** *In each organization we were able to hear and see how LWML mission grant monies are being put to good use.*

NWD Short-Term mission trips overflow with FUN, FELLOWSHIP, DEVOTIONS, TREATS, FRIENDSHIPS, HUMOR, VALUABLE INSIGHTS—and JESUS is right there with us. See you on the next one! (Read on for more information about each stop and more pictures!)

† Lutheran Heritage Foundation

Rev. Matthew Heise shared information about the materials they produce and ship all over the world. The passage from Jeremiah and theme “*Do not be afraid*” personally encouraged many of us as we learned about the far-reaching impact of the biblical and instructional materials LHF produces for use throughout the world. We heard stories of church workers who, made bold by the Spirit, have shared the Word in very dangerous situations, at great personal risk.

Willing workers putting together the 5,000 piece mailing!

† LAMP Ministries

LAMP (Lutheran Association of Missionary Pilots) shares Jesus through VBS and Bible study in remote areas of Canada. We heard from women who have served on teams for many years about the importance of this ministry for people who are isolated and children who have to deal with little or no outside contact.

Assembling craft kits and writing cards of hope

† Camp Restore

The staff and volunteers at Camp Restore work to restore an area of Detroit that has fallen into disrepair and crime. We observed how LWML grant monies have been used in community outreach programs. We heard about the challenges and needs facing this ministry as they reclaim a neighborhood for Christ, create a safe community, and provide options and skills for those who need them. We got involved packing school kits, working in the urban gardens and preparing food for a community barbeque that we all attended.

✝ POBLO International

POBLO (People of the Book Lutheran Outreach) works with Arab and Muslim refugees and immigrants in Detroit. They extend Jesus' love to these strangers in a strange land through English classes, skill building and emotional support, to help immigrants assimilate and to better understand American culture. What a thrill for the group to interact with several Afghan women!

✝ MOST Ministries

MOST (Mission Opportunities Short Term) sends short-term mission teams all over the world. They partner with Lutheran church leaders in different countries who see a need in their communities for health, clean water, eye & dental care, health education, VBS & ESL. MOST trains teams and answers the call to share Jesus through their acts of mercy. Events are always used for evangelistic outreach. Everyone who benefits from the clinics hears the story of salvation and gets an invitation to attend church services. Our group was put to work sorting out thousands of donated eyeglasses.

What is Our Worth?

When looking at the pictures from the retreat, did you notice any of the ladies wearing a price tag around her ear or hanging from her glasses? I was going to challenge you all to seek someone out that attended the retreat and ask them about it but wanted to let you all in on the secret. One of the things Bible study leader, Deb Burma had us do was to write down some words or phrases on the price tags or “value tags” as she called them that reflect who we are in God’s eyes. As Deb reminded me in a text message, “God paid the highest price to redeem us from our sin, to claim us as his own, in Christ.” We are **treasured, invaluable, priceless, redeemed, forgiven**, etc.

What is Your Gift?

SUSAN MARTINSON, TREASURER
ST. JOHNS LUTHERAN CHURCH
ALMOND, WI
ZONE 17

St. John's Lutheran Ladies Aid in Almond celebrated their annual birthday party in June. The theme was based on the November 17, 2020 LWML Mustard Seed Devotion, "Maybe Your Gift is ___". Each member received a wrapped gift, a hand crocheted lap blanket made by LWML member, Patricia Footit. Inside this gift was another wrapped gift to share with an LWML sister, the new purple LWML jar opener. As the devotion describes, "imagine opening the first gift is from God and the inner gift is to share." Everyone was given the opportunity to share what they felt their gifts were. What a meaningful way to celebrate the occasion with sisters in Christ.

On June 26 a total of 15 ladies from St. Paul Lutheran Church in Stevens Point gathered for the annual *Lunch with a Mission* at Franny's Restaurant. The ladies are members from the society Women in Mission of St. Paul NWD Zone 17. Guest speaker was Karol Selle, VP of Special Focus Ministries of LWML. Heidi Gross was introduced as the new Zone 17 President. The mission at the luncheon was to donate one ore more tissue boxes. A total of 39 boxes were given to Principal Jim Wegner of St. Paul Lutheran School at the beginning of the 2024 school year. Hopefully, there are plenty of tissues to last through the months ahead!

Spring Rally

CORAL PAUL, PRESIDENT
 IMMANUEL LUTHERAN CHURCH
 HEWITT, WI
 ZONE 16

The Zone 16 Spring Rally was held on Saturday, April 13, at Immanuel Lutheran Church in Hewitt. There were 52 people in attendance. Sue Felch presented our Christian growth topic, *Forgiving While You are Hurting*. The guest speaker was Pastor Mark Krueger who spoke on forgiveness—forgiving when it is hard to forget. Mike and Norma Sabel acted in a skit titled, *He Said, She Thought*. The Sabels are from St. John, Auburndale. The skit was hilarious and everyone enjoyed it! We had an ingathering for “Cattails” in Marshfield; this is the former Hope Lodge where cancer patients and their families can stay while receiving treatment at the hospital. Gerbera daisies decorated the tables, along with handmade placemats that each person could take home with them.

Stamps for Missions

The stamp ministry for missions continues and thank you to all who have contributed.

The Lutheran Women's Missionary League NWD invites you to save postage stamps – especially during the holiday season and donate them for our mission goal.

Since 1993 Lutheran Women in Mission across the Northern Wisconsin District have been clipping and sending in canceled postage stamps. You can, too.

Just send your trimmed canceled postage stamps with your zone president and she can bring them to our LWML meetings. You can also bring them to any LWML NWD event. We then sort and sell them to a stamp dealer.

If you want to contribute to this ministry here is what we look for:

- Please save stamps that have their perforations intact, are not too heavily cancelled, and are not torn, cut or stained.
- Please leave at least a minimum $\frac{1}{4}$ inch on each side of the stamp when cutting it from the envelope.
- New stamps, as well as used ones, have value, also Post Office metered postage is not valuable and we do not accept them.
- If you are not sure what the Post Office metered stamps are, they would be printed on the envelope by the Post Office. The Post Office would use ink from a postage machine to place the postage.

Please continue to collect your stamps within your societies and encourage others from your church to join in.

Praise God from Whom All Blessings Flow—the current amount raised so far from the stamp sales is: **\$14,901.31**

What a blessing to have the opportunity to collect our stamps and help those we love, care about, and share Jesus with. Please continue in the Lord's mission as we serve the Lord with gladness!

In Christ,

Shirley Hein
Mary Scharenbrock
